

BECAUSE IS REASON ENOUGH.

Every line an outpouring of roadster essence. Every detail focused on performance. An eager, responsive engine. Short-throw shifts. Balanced rear-wheel drive. With its 18-inch aluminum wheels and wide, athletic stance — and a wider track than a Porsche Boxster¹ — Solstice is designed to run, stop and turn as effortlessly as it turns heads. In other words, the expectations raised by Solstice's provocative exterior are fully realized by what's under the skin.
